NATURAL GAS DELIVERY

Dear Students, Parents, Staff and Community Partners,

On behalf of the Chicago Board of Education and Chicago Public Schools, we welcome you to the start of the 2011-12 school year and thank you for the warm welcome we received when we joined the CPS community last spring.

This year, 246 schools will be on Track E with the remainder on our Regular Track. This calendar illustrates schedules for both Regular and Track E schools. These are color-coded, making it easy to identify your specific school's schedule on any given day. We have also included an index of all Chicago Public Schools, including charter and contract schools. Schedules for charter and contract schools and schools with alternative schedules are not included. The calendar will also appear on our www.cps.edu website in a format that allows it to be downloaded.

We extend a special thanks to our calendar partner, Peoples Gas, for joining us and supporting production of this 2011-12 CPS Parent Friendly Calendar of Important Dates with a public safety theme. In a time of economic challenges, we are grateful to Peoples Gas for their ongoing support.

Whether you are joining the CPS family for the first time or are a returning friend, we are honored that you are part of our learning community. We hope this calendar serves as a valuable tool and springboard to a successful school year.

Sincerely,

David J. Vitale
President, Board of Education

Jean-Claude Brizard
Chief Executive Officer

For families with children, the real “new year” starts on the opening day of classes. There’s a sense of promise that comes with the beginning of each school year. It’s the idea that anything is possible.

At Peoples Gas, we share your hopes for Chicago’s schoolchildren. We understand the future of our great city depends on how well we educate and nurture today’s students. That’s why we support the CPS Children First Fund and numerous non-profit organizations that work with the schools.

We’re also proud to be a part of the “Say Yes to CPS” effort, under which many of our employees participate in the Principal for a Day program at the CPS schools they attended. We encourage these employees to stay involved with their schools throughout the year. Our employees also volunteer for tutoring and mentoring programs across the city. Many of these activities are featured in the photos in this calendar.

As you make your way through the school year, please take a few moments each month to share the natural gas safety tips in this calendar with your family. It’s one more way you can help ensure a bright future. You can find more information about safety, energy efficiency and many other topics at peoplesgasdelivery.com.

Best wishes for a safe, happy and successful school year.

Will Evans
President, Peoples Gas
