

3 Steps to Apply for Early Learning!

There are early learning programs in every neighborhood for all children birth through five years old. Applying to your family's top choices is easy and the application is open year-round.

Follow these three easy steps to get your child enrolled in an early learning program.

1

Apply

Go to ChicagoEarlyLearning.org to explore your family's options, and decide on your family's top choices for early learning programs. Then, complete your child's application!

Application support for families with diverse learners, families can either go to a Family Resource Center listed below, or call the Chicago Early Learning Hotline for assistance (312) 229-1690.

2

Verify

There are two ways to verify in-person by appointment:

1. You can verify your child's application at the school where your child received their placement.
2. At one of the Family Resource Centers located around Chicago. Find a Family Resource Center near you to verify and get help with the application!

3

Enroll

To finalize and confirm your child's enrollment contact the early learning program that your child will attend in the Fall for any additional steps.
