- a. Dress code: CL and RY presented a recommendation for a different dress code were students can wear any shirts and any pants as long as it is not offensive or shows under garments. CL and RY stated that the dress code the way it is, is not working and it takes up valuable instructional time to write students that are not in dress code and call home for students to come a few days later wearing the same thing. A discussion took place between the LSC members.

TS ask if there was any data that the teachers had to support the change. RY and CL stated no but will get it for him and the LSC for the next LSC meeting. JP felt she was not ready voting on a new dress code without surveying the parents. JP stated that she will create a survey on survey monkey and send the questions to the LSC for approval and then send it to the parents for their input.

Dress code was tabled until the June meeting.
