Mr. Malo stated that he had concerns about gym class as there is no stretching before class and his daughter is coming home with bruised knees due to rolling on the floor with no mats on the floor. LM stated she will meet with the gym teachers to discuss the concerns.

6. Reports:

a. **Chair:** Welcome back to a new year. Thank you everyone for making time for the LSC meeting. As we had a smooth principal evaluation last April; I would like to start the process and timeline on renewing the contact.

b. **Principal:** Welcome back. Handouts and my report are in your folder. The school year started off very well. We have had good attendance and about 99.5% of students in dress code. There were 3 assemblies on

the first day for students to go over the dress code, attendance, discipline and the wellness program. Almost 200 parents came to Quick Start. Breakfast and Lunch are free to all students. We still need each family to turn in a lunch form as it is important for our funding. We will have two Open Houses this week; everyone is welcomed to attend. Workers for the addition are coming in and measuring and testing systems. It will take 8 to 12 months to design. We should break ground for construction next June or July. It will take a year to build (September 2016). I hope that we will also get a new playground. LM read part of an article about school fees on the North side and Canty is one of the lowest. We have no volunteers for the Kiss and Ride program please volunteer so we can keep the program running.

- c. **PPLC:** A committee was formed and met on Wednesday, August 27, 2014. Cathy and I met with Dr. M on Friday, August 29, 2014
- d. **BAC:** We will have our first meeting on September 22, 2014 at 4:30pm
- e. **CPTC:** There was no representative.
